4) The Asst Controller, Bellary Local Audit Circle, who was consulted in the matter has reported that the fireman working in the Hagari Pumping Station is contributing to the menials bonus fund and not to the provident fund of superior servants His services have, therefore, to be treated as inferior for purposes of his retirement

5) In view of this position the services of the present fireman may be declared to be inferior and the Municipal Council asked to decide the question of his retirement in accordance with the provisions contained in exception to Article 294 (introduced by Notification No Fl (B) 11679-C R -4-53-43 dated 21-11-1953) of the Mysore Service Regulations

6) It is seen that the fireman in question carries a scale of pay of Rs 25-1-35 as reported by the Municipal Commissioner in his letter dated 28-5-56 Hence, services in this post should ordinarily be treated as superior under Article 248 of the Mysore Service Regulations. Since the provisions of the M S R were made applicable to the integrated staff of Bellary District, with effect from 1st Sept - 55 as per Govt Notification No Fl (B) 5232-C R, 50-55-1 dated 21-7-55, Govt may consider the desirability of declaring the services of the future incumbents in this post as Superior for the sake of uniformity

Sub - Establishment - Bellary Municipal~~xx~~ Council - Engineering "Fireman" post - Clasification of service as superior or inferior - Orders - Requested

****

There are certain posts as "Fireman" in the Hagari Water Works of this Municipality and in one of those vacancy one Sri Mallappa is working from a long time and he is drawing Rs 32/- in the scale Rs 25-1-35 The incumbants' date of birth is 25th June 1900 and if the post is taken to be superior he has to retire on 25th June 55 He has been served with a notice to retire But the post of Fireman in Water Works Department has neither been clasified as superior or inferior in the St rules issued with G O Nos 4024 & A dated 28-10-39 and 4977 L A dated 18-12-39 The Assistant Controller of Local Funds Audit of Bellary circle was addressed for clarification but they also could not give any opinion in this connection and only advised to refer this to Commissioner for Local Self Government, who is competent to decide On being understand a similar Water Works is existing in Madurai Municipality, it was referred to furnish any information available and in G O MS 2331 dated 25-10-44 received from them the post of fireman is classified as superior But is doubtful whether the same G O is applicable to sistern Municipality as it is not specifically mentioned in the G O

Under the circumstances, the Municipal Engineer, Bellary interpreting the fireman equal to that of cleaner or oiler under inferior service, has recommended the case of the incumbant for continuance of one year subject to clari fication of the higher authority and therefore he is being continued

I therefore request you to pass orders as to whether the post of Fireman is to be classified as superior or inferior at an early date
